RE: Thomas American Stone, DOE/047/009

On March 24, 1987, Frank Filas, David Wham, and I tried to locate subject DOE in the Horseshoe Bend area of the Green River.

This DOE is on state land - lease #38735. It is listed in two different sections - 28 and 36. We looked over section 36 but didn't see any activity related to this DOE. (It is probably only prospecting activities.)

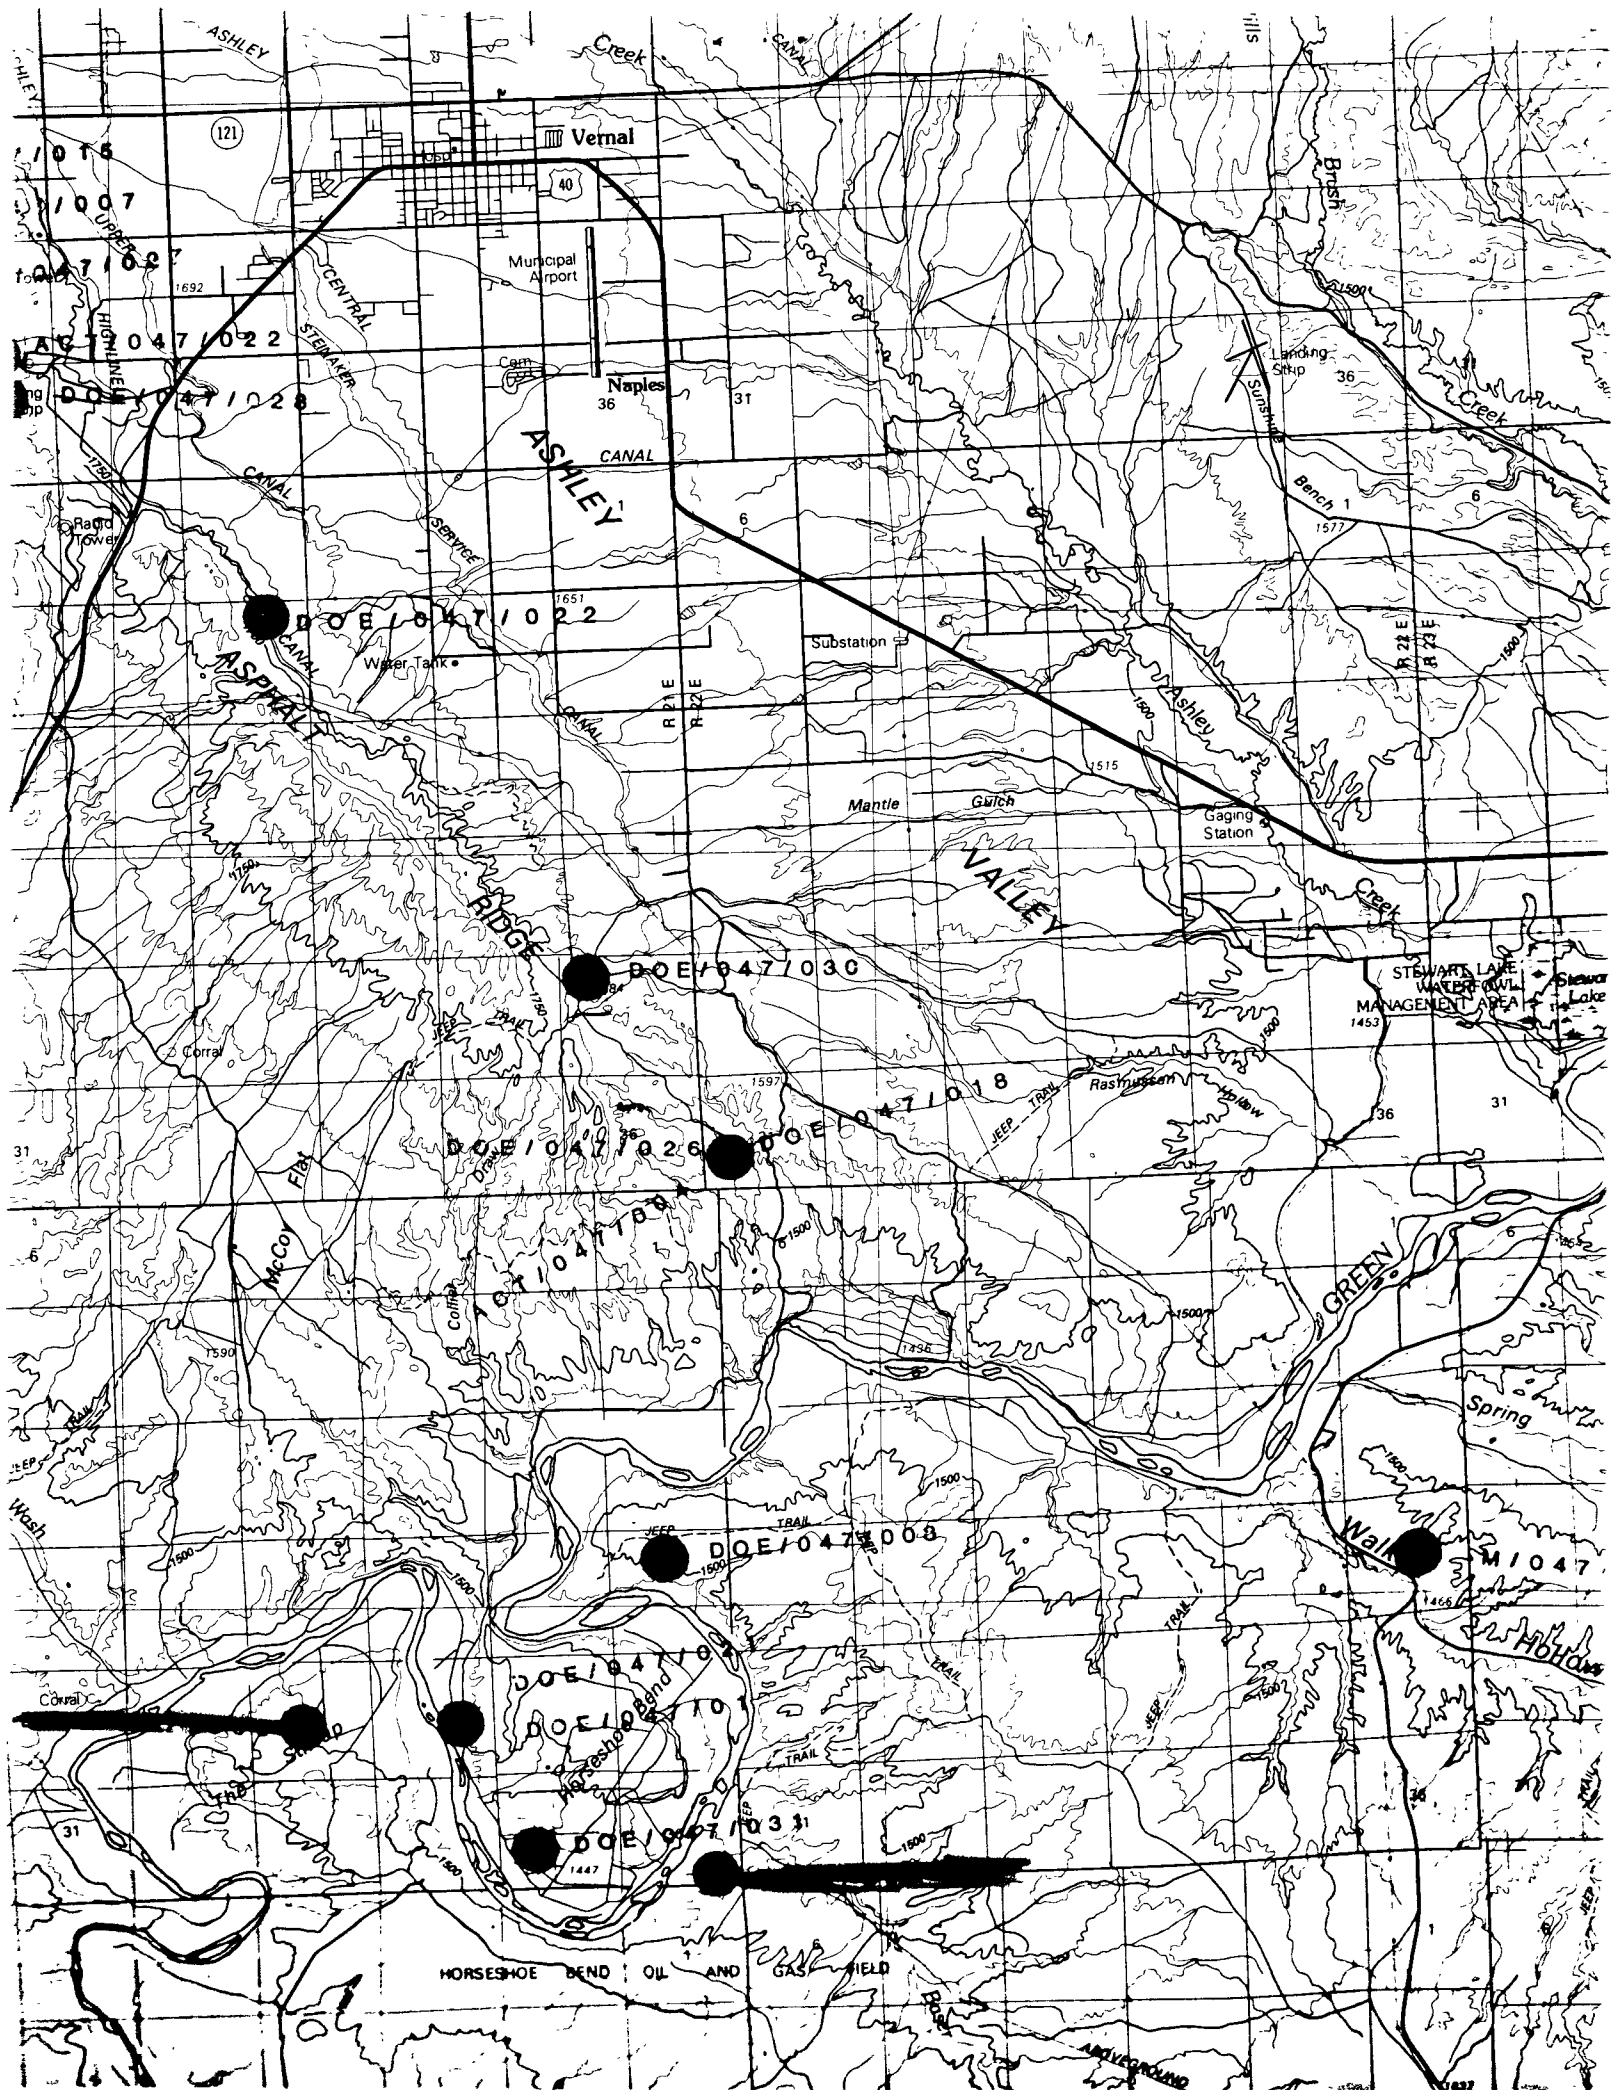

We did not go to section 28.

A check of the state lease shows it to be 225.5 acres with a lease fee of \$228.00/year. The lease expires on December 31, 1990.

The state lease shows the new address as:

Thomas American Stone
